SPEAKERS

This month we have Trevor Dean "The Story of Bryan Monkton". Trevor is a founding member of the Australian Aviation Museum and has been involved with other aviation museums and groups affiliated with Museums Australia, giving recognition to those who keep Australia's history of aviation alive.

Trevor has worked on many mutually beneficial partnerships with the Air Training Corp cadets, TAFE students, volunteers and with the Work for the Dole program. Trevor approached the famous Australian flying boat pilot, Captain Bryan Monkton and assisted

with writing his memoirs. After the Captain sadly became ill, Trevor carried out his wishes and published the book.

From the club, Brian Collath will be speaking on his recent trip to Iceland complete with photographs.

Next month we have Graham Wilcox and "The Struggle For Unity - A Story of the Federation of Australia" followed by club speaker, Chris Young.

COFFEE CLUB

It's back to business (and fun) as usual this month and I am sure there will be an extended and wide ranging discussion agenda as usual. If you have never been

before why not make 2017 the year you give it a go? Nothing to lose except the price of a cup of coffee. We will congregate on Wednesday, 25th January, 2017. All club members are welcome to the coffee club held in the lower room of the pavilion at the Bowral Cricket Museum. Phone Gordon Dummer on 48624989 or alternatively send him an email at gordon_dummer@bigpond.com for information.

INDUCTIONS

Three inductees this month! Frank Tate and his wife Julie join us today. Frank is an ex-airline pilot and is enjoying landscaping, music and bonsai in his retirement. Barry Wood has retired from the merchant navy and a career in surgical instruments to join us and enjoys computers, lawn bowls and politics. His wife is Pamela. Finally, we have James Rowe, wife Sharon, being inducted. James was a pharmacist and lists golf and the arts as his hobbies. Welcome to you all!

SPECIAL VISITOR

This meeting we have a visit from the President of the Shoalhaven Probud Club, John Tobin and we are hoping to organise an inter-club function in the near future. Welcome to our meeting.

TRAINS DAY OUT

A visit to the mini-world of the Australian Model Railway Association NSW Branch at Mortdale has been organised on

Wednesday, 1st February, 2017. We will gather outside Bunnings and then depart at 9.00am using private transport for the club rooms at 48 Barry Avenue, Mortdale. We will then return home. There may be a small donation required at the club rooms and lunch is at your own expense.

Any of our members who own HO gauge trains are invited to bring them along and would be welcome to run them on the day. Tech terms for these people they run both DC and DCC. But you don't have to be a trains enthusiast to just enjoy the day out.

It is important that Gordon has numbers for the outing so please contact him on 48624989 or let him know at the January meeting at the latest that you wish to come along for the day.

CHRISTMAS LUNCHEON

A large crowd of Probus members gathered for the annual Christmas Luncheon at the Scottish Arms in December. The event was enjoyed by all despite a later

start than expected due to the large numbers attending. One of the highlights of the day was President Arthur's poem which he wrote for a young friend he met while travelling at Christmas time.

The Star of Christmas

By Arthur Delbridge

*It's the faces of the children
Sounds of carols in the air
All the shiny trees and tinsel
Tell the tale of Christmas Fare*

*It's the baby in a manger
In the stables of an inn
That for some holds all the meaning
Of the season coming in*

*But for me it's humble shepherds
And three men who travelled far
Just to wonder and to worship
Guided by an evening star*

*It's the message of the Angels
As they sing "Goodwill to men"
They foretell the hope of ages
'Neath the Star of Bethlehem*

*There are some who call it fable
Born of legend told by men
Of the simple Eastern stable
And the Star of Bethlehem*

*But I've found a special meaning
Since I can't remember when
In the story of the Magi
And the Star of Bethlehem*

*I can see it just as clearly
As the three who came so far
Through the mountains and the desert
Guided by the Christmas Star*

*You can see it every Christmas
Anywhere the World is free
Raise your eyes above the presents
And it's there atop the tree*

*And to those who'd banish Christmas
When they come here from afar
Let them mark their own occasions
And just leave ours where they are*

*Leave to us the joy of Christmas
Writ with history's ancient pen
Of the wise men and the infant
And the Star of Bethlehem*

*If your World is torn or troubled
There's no joy or peace with men
Join the wise men, and the shepherds
Find the Star of Bethlehem*

*When you drift along life's pathway
When you fear you're lost again
You might find the hope of ages
In the star of Bethlehem.*
