WELCOME BACK!

Regular monthly Probus meeting recommence on Thursday, 9th January and it would be great to see a good roll up of members to kick off our new year. How about making it your new year resolution to bring along a prospective member and introduce him to the benefits and fun of being a member of our club. The more the merrier and we can only maintain and increase our membership with your help.

Below is one of two photos in this edition taken at the annual Christmas Luncheon last year.

MEMBERSHIP FEES

Membership fees are due to be paid not later than 31st March but let's not delay that long and it would assist greatly if you paid these fees now.

The membership fee remains the same as in previous years at \$40 plus we ask active members to pay for their morning teas for the whole year in advance at a cost of \$40 also. Making a total for the year of \$80 for active members and a total for non-active members of \$40 to be paid into the club account by your usual method. Please ensure you identify your payment with your name to make our treasurer's life a little easier!

HAPPY BIRTHDAY!

As usual when we come to the end of year we have a double lot of birthdays to celebrate and two draws, one draw for each month.

December birthdays for last year were:-

John Dash Peter Evans
Gerry Power Grant Winberg

And in January we are celebrating birthdays for:-

Hugh Scott Walter Wilson
Geoff Stewart John Dartnall
Marcus Maclean Chris Young

May you all have a happy and healthy 2025 and good luck in the birthday draw!

JANUARY SPEAKERS

Our club speaker for the January meeting is Gerry Power and in Gerry's opinion "Gliding is real flying".

He will be followed by Chris Young who will present the second part of his talk about flying in New Guinea with his talk telling of the mission to search for and rescue of survivors of the crash of a RAAF Caribou in the Papua New Guinea highlands.

COMMITTEE 2025-26

We are still looking to fill a couple of positions available for willing volunteers amongst the members. Being on the committee involves a couple of hours a month and one extra meeting a month with a social cup of coffee afterwards.

Some members seem to wait until they are asked but we don't know if you don't tell us. So, if you would like to help to organise the club please contact one of the current committee and you will be most welcome.

MEN'S COFFEE CLUB

Well, since we met last November, some interesting events have occurred requiring that we meet again to offer our insight and solutions to these many and vexing problems!

The members coffee club will convene for the first time in 2025 at the Bowral Bowling Club at 10am on Wednesday, 29th January. All members are welcome to attend and participate in discussions.

CIRQUE DU SOLEIL

As previously notified, bookings for the Cirque du Soleil day trip on 2nd February 2025 have closed. This has proved to be a very popular event, and we are all waiting in anticipation of an entertaining day out in February next year.

John Elvy will be contacting participants soon concerning bus travel to and from the event as well as lunch arrangements for the day.

So, give it a thought and when you decide to help, contact John Elvy on 0414 255 770.
