A Christmas Message from the President

It is that time of the year where we all think that there's enough time to do all the things we should do for Christmas but in a lot of cases it creeps up so quickly that we find ourselves in panic mode to get everything done. We promise that next year we will start earlier!

The Club has enjoyed another year of visits and memorable and interesting lectures. Those of us who attended Ross Coulthart's presentation will have learnt a lot from the annals of World War I. Those who did not see this still have the opportunity to access this most memorable presentation by accessing it by [CLICKING HERE](#).

I am looking forward to our Christmas luncheon at Peppers Craigieburn on the 4th December.

From the Club I would like to extend Christmas Greetings to all members and their families and best wishes for Happy, Healthy and enjoyable 2026.

John Milhinch
President
Moss Vale Men's Probuss Club

DECEMBER BIRTHDAYS

There is still room for a couple more bookings for the casual driving tour to the Young and Temora districts in February.

Please note that because of motel booking requirements we have had to move the booking date up to December 15. So now is the time to make sure we can arrange quality accommodation along the way.

All members and their partners are welcome on this tour which offers a leisurely drive in the Southern Tablelands. There are no huge distances to travel, and we will be stopping along the way to visit interesting places and enjoy not only the food but the company of other members.

VALE FRANCIS DE BEAUJEU

This month we lost a friend and a longtime member, support and worker in our club. Francis de Beaujeu joined the club at the May meeting in 2008 and later joined the committee where he participated in many and various roles. If something needed doing, we would ask Francis. On his retirement from committee, he was awarded life membership of the club in recognition of his contribution.

Our thoughts are with Jo, the family and friends of Francis at time.
